SAGARDI PORTO

Sagardi Porto is located in la Ribeira area, very close to Palácio da Bolsa and Infante Dom Henrique Garden in the heart of the city's old quarter. The perfect place to introduce the Basque gastronomic culture in all its glory.

GASTRONOMY

A varied and playful pintxo bar that keeps changing as the seasons go by, an exceptional meat cellar where we dry-age our txuleton steaks, and the essential Basque grill – the spirit of Sagardi – create a unique space to enjoy the best Basque cuisine of the city.

We also offer special options for groups and events. Contact us and we will help you!
